

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

v.

CODY DEMELLE,

Defendant.

**8:24CR79**

**ORDER**

This matter is before the Court on the Motion to Continue Trial (Filing No. 42). Counsel needs additional time to examine physical evidence and consult with an expert regarding the cause of the decedent's death. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial (Filing No. 42) is granted as follows:

1. The jury trial now set for March 17, 2025, is continued to **May 27, 2025**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the Court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and May 27, 2025**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).
3. No further continuances will be granted barring exceptional circumstances.

Dated the 7th day of March 2025.

BY THE COURT:

Robert F. Rossiter, Jr.  
Chief United States District Judge
